PROSPECTING

**CAPITALIZE ON A NEW CUSTOMER'S ENTHUSIASM
CREATE YOUR OWN LEADS AND
SELL MORE**

*Are your earnings left to chance or choice? When you wait for prospects to walk in – **that's chance!** When you take action that creates specific appointments for yourself, **that's choice!***

*A good advertising and promotion program can maintain a certain level of business, and from this you may do fairly well, but – to take full command of your future, your sales, your take home pay – you must **add** a personal prospecting program.*

Here's one that works. This system had been used by sales people for years. It is without question the most efficient, the most productive method ever devised to put you face-to-face with interested prospects. Use this system to make more sales and insure your future in selling.

SYSTEM ONE

CAPITALIZING ON A NEW CUSTOMER'S ENTHUSIASM BY PROSPECTING HIS IMMEDIATE NEIGHBOURS

Never underestimate the referral sales power of a new customer's enthusiasm and how it spreads throughout their neighbourhood. When a new product shows up on the block, everyone with an older model is stimulated and **wants** a new one. Mom, Dad and the kids all start selling each other, so now's the time to call and stimulate these neighbours to buy now ... and buy from you.

Here's how to proceed

1. SET THE STAGE WITH YOUR CUSTOMER. After the sale, but before delivery of the product, fortify yourself with the names of several neighbours of your customer. Then, when delivering the product, say: "Mr. Smith, I'm going to be calling on a few of your neighbours. Do you mind if I mention that you bought your new _____ from me?" Your customer will say okay.

Then say: "Thank you. Specifically, I'm planning to call on Mr. Brown, Mr. Jones, Mr. Kelly and Mr. White. Who do you think would be most likely to be buying a new _____ next?" (Never say "soon." By saying "next" your customer will name one of the four. If you say "soon" he will usually say "none.") This simple, but powerful technique not only gets your customer to qualify his neighbours, but also supplies you with information that, when you call these prospects, puts you in a more favourable position to make appointments.

2. CALL THE NEIGHBOURS. The purpose of your call is to locate interested prospects, capitalize on their urge to keep up with the neighbours, and make specific appointments. The Vernon Directory 10-10 system gives you his ideal range of influence. You may want to use the "New Prospect Lead Form" to organize your calls and keep good records.

Here's what to do: From the Vernon Directory, obtain names, addresses and telephone numbers of neighbours to your customer. Call each one and say "Hello, Mr. Fred Gordon?" (Always use his full name the first time to give added personalization to your call.)

"My name is _____ of _____. One of your neighbours, Ed Smith, just took delivery of a new _____. Have you seen it yet?" Wait for response. Whether yes or no continue with, "It's a beautiful _____ and I was able to give him a very good price. If the price was right, Mr. Gordon, would you or someone else in your family be in the market for a new _____ at this time?" (Wait for response.)

If he answers affirmative, say "Great. Right now I can give you a very good price. When would it be convenient for you to come in? I'll be here from _____ to _____ on Monday and _____ to _____ on Tuesday. Are one of those hours suitable?" (If not, make a specific appointment for another time.)

When you have an interested prospect and agreed on a time, say "Mr. Gordon, when you come in be sure to ask for me. Do you have a pencil handy? I'll spell my name for you. You can write it on your phone book if you don't have a piece of paper. My name again is _____,

P R O S P E C T I N G
two

that's spelled _____. By the way, your neighbour did a lot of footwork for you. (Wait for comment which will usually be "how" or "what do you mean?") "He shopped all over town for the best deal and found that I could give it to him." Then finish off by reconfirming the appointment: "Thanks very much, Mr. Gordon, I'll see you at (time) on (day)."

If his answer to "Would you be in the market at this time?" was negative, say: "Fine, Mr. Gordon. When do you think you will be ready for a new _____?" (You may ask further questions now such as) "What year is your _____?" "Do you have more than one in the family?" "Does Mrs. Gordon or any other member of your family need a _____?" "How long do you usually keep a _____."

SYSTEM TWO

PROSPECTING IN NEW AREAS

You can also develop additional prospects by a systematic program of telephone prospecting on streets where you do not have a recent customer.

Here's a very easy method that works: Obtain the name addresses and telephone numbers from your Vernon Directory. Then call each resident and say:

Hello, Mr. Fred Gordon?"

Gordon: "Yes."

"My name is _____ of _____. We are having a neighbourhood 'Get Acquainted' program. Do you know where we are located on _____ Avenue? I'd like to invite you in to see our fine selection of new _____. Mr. Gordon, incidentally, if the price was right, would you or anyone else in the family be in the market for a new _____ in the near future?" If he answers "Yes," follow up with, "Fine Mr. Gordon. I can offer you rock bottom prices on all our models right now. When would it be convenient, etc.?" (See above.)

Whether he is presently interested or not, you can also say: "By the way, I'm going to be calling a few of your immediate neighbours. Who do you think - Mr. Jones, Mr. Brown or Mr. Davis - would be most likely to buy a new _____ next?"

Another idea: Some sales people have reported very good results calling newcomers in the neighbourhood to invite them in to get acquainted.

Reminder: Any prospects that have shown interest for the future should be noted in your follow-up file.

If you will develop a planned prospecting program as suggested above, your sales time will become more productive and your income will increase substantially. Become a master prospector and you will become a master sales person. You will be in command of your future.

INSURANCE

GAIN MORE REFERRALS SELL MORE INSURANCE

This form has been designed to assist the insurance agent to gain more referrals and sell more insurance by...

- ◆ Getting pertinent information about neighbours after every presentation or from present policy holders.
- ◆ Eliminating wasted travel time by being fortified with additional prospects in any given area.
- ◆ Making better use of the enthusiasm of new policy holders.
- ◆ Providing a simple way to coordinate mail, phone and personal call efforts.
- ◆ providing a permanent record of the information gained.

HOW TO USE THE DIRECTORY TO INCREASE YOUR SALES

METHOD ONE

Using the directory you can get the names and addresses of the neighbours of your prospect. After your presentation you do not have to ask for the names of people to see, you have the names. You can now ask specific questions about people your prospect knows...

"How many children do your neighbours, the Smiths, have?"

"Do you know what Mr. Jones, across the street does for a living?"

"Can you tell me when Mr. Brown is usually at home?"

METHOD TWO

After delivering a new policy you would normally ask for referrals. In most cases, your client would give you one or two of his friends. They may be right in the neighbourhood or they may be at opposite ends of the city. Eliminate wasted travel time and increase your qualified prospect list by asking this simple question...

"Mr. Powers, I will be calling on a few of your neighbours, would you mind if I mention that you are a policy holder of my company?"

A quick check of your directory will give you a personalized prospect list of twenty or more. As neighbours, they will be more apt to see your new client and be exposed to the enthusiasm of a new policy holder.

You may find it helpful to prepare the list of neighbours before you deliver a new policy. Then as in method one, you will be supplied with names and can ask specific questions about people your client knows.

THIS IS IT!

Here's how to use you Vernon Directory, this form and the telephone to

- ◆ Ask for prospects for the listed home
- ◆ Get information to help a prospect make a decision
- ◆ Sell homes faster
- ◆ Gain additional listings

Follow this simple, effective technique!

1. Put the information about the new listing in the centre, shaded space.
2. Working each way from the listing, use your Vernon Directory to secure the names, addresses and phone numbers of the neighbours on the same and opposite side of the street.
3. Telephone each one. Here is a sample of how the conversation might go:

You: "Hello, (Mr., Mrs.) _____?"

Neighbour: "Yes..."

You: "Thank you, (Mr., Mrs.) _____. This is _____ of _____ Realty. We have just listed the home (next door, across the street, down the block, etc.) for sale. I'm sure you're interested in it being sold to someone who will become good neighbours and we would very much like to find new owners that would make you happy. Would you mind if I ask you a few questions that will help me do that?"

Neighbour: "All right, what would you like to know?"

Most everyone will be anxious to help, which gives you an opportunity to get all the information you need. Here are some suggested questions you can tactfully ask.

Questions to get prospects for the listed home...

"Have any of your friends or relatives ever mentioned locating in this neighbourhood? Wouldn't this be a good time to let them know about this home? May I call them to arrange a time to see it?"

Questions to get information to help a prospect make a decision...

"I hear children in the room... how many do you have? How old are they?" (Knowing the ages of neighbour children may overcome the prospects' fear that their children won't like the new home.) "What kind of work do you (does your husband) do?" (Knowing that there are two attorneys on the street, for example, may sway a prospect who is also an attorney.)

Questions to gain additional listings...

"Your home is a three bedroom, isn't it? Are you considering a smaller (larger) home as the children grow up?"

Managers, please note:

Your directory representative will be happy to show your sales staff how to use this form and the telephone technique described above. Please call if you feel this service will be helpful.
